Quarter 3 Complaints Report: 1 October – 31 December 2025

Purpose

1. This is the quarter 3 report on complaints outcomes during the period 1 October – 31 December 2025.

Background

2. SFC follows the SPSO's Model Complaints Handling Procedure (MCHP) which provides guidance, resources and training to support public service organisations to improve their complaints handling practices. The MCHP applies to all Scottish Government, Scottish Parliament and associated public authorities under the SPSO's jurisdiction in terms of schedule 2 of the SPSO Act 2002.
3. As part of this regulation, SFC is obliged to publish quarterly information (via our website) on complaints outcomes and actions taken to improve services.
4. The number of complaints SFC receives is low in relation to the overall volume of engagement with higher and further education institutions and other stakeholders. However, upheld complaints (and in some cases, not upheld complaints) demonstrate that SFC takes these complaints seriously and acknowledges when something goes wrong. The outcomes of these complaints help us to learn and improve in the future.

Statistics: 1 October – 31 December 2025

5. Table 1 shows that there were no complaints responded to by SFC in quarter 3. One complaint was received but not responded to within this quarter. This will be recorded in Q4.
