Remit of the Audit and Compliance Committee

Effectiveness and financial control

- Consider SFC's annual financial statements prior to submission to the Council.
- Review the effectiveness of the Council's financial and other control systems.
- Consider the Council's policies on whistle-blowing and fraud and irregularity.
- Monitor the Council's arrangements to secure VFM, whether these are made via internal or external audit or other means.

Risk management

- Consider and advise the Council on the adequacy of the arrangements for the assessment and management of risk in relation to the achievement of SFC objectives, with particular regard to the Council's top-level register of risks.
- The Board monitors the Council executive's management of the top-level register of risks and the Audit and Compliance Committee only need undertake this role if requested by the Board. However, so that the Committee can properly fulfil its remit under the previous bullet point, it will receive a copy of the risk register at each meeting and may review specific risks in detail if it considers that to be necessary.

Internal audit

- Consider and advise the Council on the annual and longer term operating plans for internal audit and the resourcing of the internal audit function to deliver these plans.
- Consider and advise the Council on internal audit reports and monitor the implementation of approved recommendations.
- Monitor the effectiveness of internal audit.
- Tendering and appointment of internal audit.

External audit

- Consider planned external audit activity.

- Consider and advise the Council on external audit reports and, where appropriate, report to the Council any issues from the external audit of the Council, and any matter that the external auditors bring to the attention of the Committee.
- Monitor the implementation of approved recommendations.
- Monitor the effectiveness of external audit.

Legal and regulatory compliance

- Consider and advise the Council on the adequacy of the arrangements for the management of the Council's compliance with legislation and regulation, focusing on data security, freedom of information and health and safety, and covering other aspects as part of the Committee's risk management responsibilities.
- Advise the Board on the financial impact of new accounting policies, changes to the Scottish Public Finance Manual and any new laws and regulations.
- Consider and advise the Council on amendments to the Management Statement and Financial Memorandum between SFC and Scottish Government.

Other

- Consider and report to the Council any other matters remitted to the Committee by the Council.
