## Draft Gaelic language plan 2020-25

### Introduction

1. This consultation seeks your views on the Scottish Funding Council's draft Gaelic language plan (GLP). The draft GLP sets out our proposed actions over the period 2020-25 in support of the National Gaelic language plan and covers both our work with Scotland's colleges and universities and our role as an employer.
2. This will be our third Gaelic language plan. We remain committed to the actions set out under our previous GLPs, but are proposing ways to make further impact in the context of the National Gaelic language plan 2018-23 and the national effort to achieve a *Faster Rate of Progress* towards its objectives.

### Consultation

3. Read our [draft Gaelic language plan](#).
4. You are invited to comment on our proposed plan by **15 December 2020** using the [web form](#). Responses in Gaelic or in English will be welcome.
5. We will also consult our staff on the detail of proposals with a direct impact on their day-to-day work.
